Sample College Handbook

Attendance Policy

Students should maintain at least 75 percent attendance in each course to be eligible for regular semester examinations. Students should contact the academic office if they have questions about attendance records.

Examination Policy

Students must carry their college identity card during examinations. The examination timetable is published by the examination department. Students should check official college notices for schedule changes.

Library Policy

Students may borrow library books using their college identity card. Books should be returned by the due date. Students should contact library staff to renew a book or ask about borrowing rules.
